Regarding: Letter of Recommendation

To Whom it May Concern:

I am writing this letter of recommendation for Ben Nicholson, President of *Fortis Business Advisors* because of his excellent performance in providing Business and Financial Consulting Services.

Our company is a family owned business generating approximately \$2.5 M per year of top line revenue. Due to a turn in our industry, we found ourselves in need of a financial restructure to stabilize the business and position the company for growth.

After receiving a recommendation from our personal banker at Wells Fargo, we reached out to Ben's company, *Fortis Business Advisors* for help which he quickly provided. Ben was able to assess our current operation and provide professional guidance on "The Best Practice" policies of other businesses our size. In addition, he has a unique relationship with several banks that helped us refinance our existing debt by securing an SBA Loan that we would not have received without his professional guidance.

I am confident that Ben's other clients would speak just as highly of him as I do. If you require any more information, please do not hesitate to contact me at 404-822-8022 or email me at pbarish@bellsouth.net.

Sincerely

Paul J Barish
